The **Largest LOGISTICS exhibition** in Greece is coming to Thessaloniki for the third time on new dates, **October 16–18, 2026**

LOGISTICS EXPO returns to the Thessaloniki International Exhibition Center – on new dates – to highlight the vital importance of the logistics and freight transport sector in Northern Greece. The event aims to fully upgrade the region into an international transit hub and a center for intermodal transport and logistics.

Don't miss the opportunity to showcase your most advanced professional solutions and technologies to thousands of professionals and executives from across Greece, the Balkans, and international markets, representing the full spectrum of commercial and industrial enterprises.

Register now for the only exhibition that stands as the strongest ally of the logistics and freight transport industry!

Why exhibit at LOGISTICS EXPO 2026

- Position your business at the heart of a top-20 global hub, as Greece climbs to **19th place** on the World Bank's LPI.
- Leverage the Mediterranean's largest port (**Piraeus**) and 5 EU-strategic ports to access the doorstep of the European market.
- Network with the global leaders of maritime trade, as Greek shipowners control nearly **20% of global capacity**.
- Connect with the **20% of foreign investors** actively targeting the Greek logistics sector to secure high-value partnerships.

Dynamic advertising campaign with strong geographic targeting for 2026

We will invest in high-intensity advertising exposure across nationwide and local media outlets, targeting:

- The full coverage of the geographic areas that constitute target markets for Northern Greece.
- The dissemination of the message to all professionals and business owners who use Logistics and Freight Transport services.

Parallel Events 2026

LOGI.C Conferences: Alongside the exhibition, the multi-conference series LOGI.C will take place, under the supervision of the Supply Chain & Logistics magazine and in co-organization with sectoral Institutions and Consulting Firms. Leading speakers from Greece and abroad will analyze the latest developments affecting the industry, sharing expertise and best practices.

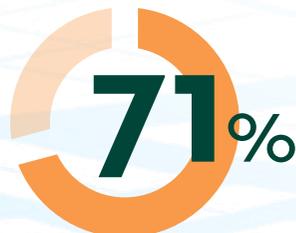

MEAT.DAIRY.FISH Conferences: The conferences will bring together key players from production, processing, and food service. Professionals from the meat, dairy, and seafood sectors will meet to discuss the latest trends and challenges.

The Athens event lived up to the expectations of exhibitors and visitors, confirming the success of LOGISTICS EXPO 2025.

71% of the exhibitors stated that the **commercial objectives** for which they participated in the exhibition were fulfilled to an exceptional degree, while their participation also led to an expansion of their client base.

* Exhibitors' Survey - LOGISTICS EXPO ATHENS 2025

95% of visitors stated that they were **impressed** by the exhibitors' expertise as well as the range and innovation of the products presented.

* Visitors' Survey - LOGISTICS EXPO ATHENS 2025

It is the most important exhibition in our industry. We present modern solutions and connect directly with our customers.

Christos Galanis, Commercial Director,
VOYATZOGLOU S.A.

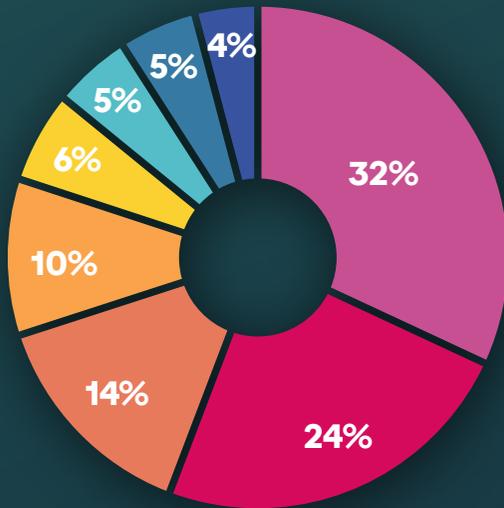

Our participation in the exhibition gave us the opportunity to connect with new potential customers.

Lykourgos Manoliadis, Deputy General Manager,
DIAKINISIS S.A.

B2B MEETINGS

"The alternating hosting of LOGISTICS EXPO between Athens and Thessaloniki is of strategic importance. It plays a pivotal role in showcasing transport activities and strengthening the broader supply chain ecosystem".

Nikos Argyridis | President of the Board of Directors, Hellenic Association of International Freight Forwarders & Logistics Enterprises

"OFAE welcomes LOGISTICS EXPO to Thessaloniki for the third consecutive year, as it contributes to showcasing Northern Greece as a transit hub and to strengthening road freight transport."

Apostolos Kenanidis | President of the Hellenic Federation of Road Transport

"The long-standing contribution of LOGISTICS EXPO in Thessaloniki has been instrumental for the Greek supply chain. We see Northern Greece evolving into an essential European gateway, making this regional support more significant than ever."

Kostas Theofanidis | President of the Hellenic Institute of Logistics Management

Why exhibit at TRUCK & VAN EXPO 2026

- Leverage Greece's position as the primary gateway to the high-growth markets of Southeast Europe and the Balkans.
- Engage directly with industry decision-makers, fleet owners, and logistics executives with verified purchasing power.
- Benefit from the massive footfall of the co-located Logistics & Transports Expo, connecting your vehicles to the entire supply chain.
- Capitalize on the surge of regional infrastructure projects and the expansion of the Port of Thessaloniki to secure new contracts.

A dynamic advertising campaign with strong geographic targeting for 2026

We will invest in high-intensity advertising across national and local media, targeting:

- The full coverage of the geographic areas that constitute target markets for Northern Greece.
- The dissemination of the message to all professionals and business owners who rely on Logistics and Freight Transport services.

We connected with transport fleet operators and presented our company's modern solutions in the commercial transportation.

Giannis Kanonidis, Head of Commercial Tire Sales GOODYEAR HELLAS

We met with representatives from major companies across Greece in the logistics and transportation sector.

Antonis Evangeloulis, General Manager of Commercial Vehicles at Mercedes-Benz, STAR AUTOMOTIVE HELLAS
